

TeamCalifornia Announces Board of Directors for 2022

CORONA, CALIFORNIA (December 3, 2021) – TeamCalifornia is pleased to announce their Board of Directors for 2022.

“Our Board of Directors is comprised of a dedicated team of community leaders who are committed to attracting and retaining business throughout the state of California,” said Robin Reimold, President and CEO of TeamCalifornia. “2021 was a year of transition for our organization. We are especially thankful for the steadfast leadership of our outgoing Chair Holly Schroeder, and look forward to channeling the talent, expertise and energy of the 2022 Board as we look ahead to the future.”

About TeamCalifornia

TeamCalifornia is a private, non-profit membership-based corporation that represents every city, county and EDC across the state to market their communities. A confidential centralized information source for expanding and locating a business in California, TeamCalifornia’s members know how to expedite projects and are valuable sources of information for site location assistance anywhere in the state.

TeamCalifornia:

- Arranges and hosts site visits
- Connects officials, brokers, vendors and corporate executives
- Coordinates with state and local agencies
- Hosts and participates in trade shows, conferences and other marketing opportunities to pair site selectors with statewide candidates
